DENISE COTE, District Judge:

On August 5, 2020, Rebecca Dunnan, a defendant in this malicious prosecution case, requested that certain grand jury testimony in the underlying criminal case against the plaintiff in this action be unsealed so that Dunnan may reference such testimony in her forthcoming motion to dismiss the complaint. Accordingly, it is hereby

ORDERED that the parties' request to unseal the grand jury testimony in the underlying criminal case is granted for the limited purpose of allowing the parties to reference such testimony in the instant action. Pending further order of this Court, the grand jury testimony itself, as well as any quotations from the testimony, shall be redacted from the public record in this case and filed under seal in their submissions in

this lawsuit. The parties may, however, summarize the testimony in their publicly filed documents.
